**To:**

**2017 – 2018 – 75 Years!**  
**Again and Again! SIX concerts!**

**S**ometimes we experience something so good that we want to repeat it: a good book, a superb meal, an evening at the beach, the scent of a favorite flower. As we celebrate the many years we've spent with you, we've looked over the past and considered your requests so that we could bring to you our usual four nights — four phenomenal concerts that you've asked for over and over again. And we've added two others that we're sure will round out your year with us.

And how many years has that been?

**Seventy-five continuous years of entertainment!** — that's what the Concert Association has given you. With no more than the cost of a fine meal at a fine restaurant, we can bring you multiple concerts: six of our own and nineteen more through reciprocity agreements in other towns.

Welcome to our 75th season!
